# PROPRIETOR INTRODUCTION

## Dear All

I am Sathianathan (B.E) living in Chennai, India. I have very much interest in web design and development field. Therefore, I started my career in 2003 as a web designer initially and then stepped into as a web developer. After 13 years of industrial experience, I have started a micro level web design firm in september 16, 2011. Amazepixels Technologies is our firm that we have run successfully for 4 years. This year we are stepping into 5th year with pride and delight.

We have done 96 Client projects successfully world wide and 650 internal projects. We have done 45 client logos.

The important motto of our company is client satisfaction. We deliver the project on-time with good quality with best price compared with other company.

## Our Industrial Exposure:

1. Schools
2. Hospitals
3. Colleges
4. Software Company
5. Roman Catholic Related Trust and Colleges
6. Law Firm
7. Out Source Agencies
8. Visa Services (Internal application)
